The Chandler Sedan

Maximum of Comfort with Rare Beauty and Real Mechanical Excellence

Chandler closed cars, the big handsome sedan and the equally splendid coupe, appeal to discriminating men and women seeking the most comfortable means of transportation for their daily requirements in any season and any weather, coupled with assured mechanical excellence. They are first preferred cars among such buyers.

Substantial and durable in their splendid construction, most pleasing in design, lustrous in finish, deep cushioned and attractively upholstered in silk plush, they bring to you all that you could desire. They are free from

objectionable outside door hinges and mouldings that mar.

The Chandler Sedan seats seven in real comfort when the spring-cushioned auxiliary chairs are in use. The Coupe seats four in equal comfort.

Chandler closed car bodies are mounted on the one standard Chandler chassis, now in its eighth year of constant development and refinement and featured and favored for its marvelous motor.

These closed car bodies compare favorably with the similar bodies of the most costly cars.

The New Chandler Price Eliminates Competition

For years the Chandler has held the lead for real quality at the fairest price. The new Chandler price puts it in a position of being without competition. Any other car which may be compared with the Chandler is priced at hundreds of dollars more. And some smaller cars which give you much less are priced but little lower. Chandler is the real first choice in the motor car field today. These are facts, easily proven.
